

STAR LANE CENTER

Natrona School District No. 1

307-253-3100

1400 South Fairdale, Casper, Wyoming 82601

Dear Parent/Guardian and Teachers,

2017

As part of our continued outreach, we are encouraging our students to invite a friend to visit Star Lane for a session on **Wednesday, January 11, 2017**, and see if perhaps our program would be a good fit for them during their high school years.

Star Lane is an interdisciplinary high school program offered to all 9th, 10th, and 11th grade students in Natrona County School District. During a three-hour session at Star Lane – either in the morning or the afternoon – students earn credit in science, social studies, English and computer science. The other half of their day, students are at their home school – NC, KW, Roosevelt, Midwest – earning credits in math, PE, and elective courses.

We believe our small class size and integrated curriculum, as well as our focus on problem-solving and technology, work very well to engage high school students in an education that will be of utmost value to their futures.

By signing below, you are giving permission for your child to visit Star Lane and be absent for their morning or afternoon classes at their home school (it would be considered an activity absence). It is understood that the student is to be held accountable for the work they'll miss.

Please have your child/student bring this signed form with them to Star Lane when they visit.

Yours respectfully,
The staff and students at Star Lane Center

I give permission for _____ to visit Star Lane
child's name PLEASE PRINT
for either the morning session (8:15 a.m. to 11:15 a.m.) or the
afternoon session (12:24 p.m. to 3:24 p.m.) on **Wednesday, January 11, 2017**.
