

Persepolis 2012

The graphic novel *Persepolis* depicts the Iranian Revolution and the fall of the Shah in 1979. What lessons from the Iranian Revolution are applicable to the Arab Spring?

Using the graphic novel *Persepolis* as a resource, create a graphic narrative that explains the events in one country during the “Arab Spring”. Present these narratives on Wednesday, February 1.

Individual papers should discuss the similarities and differences between the Iran depicted in *Persepolis*, and the countries of the “Arab Spring”, and are due at the beginning of the session Monday January 30th.
