

Trial 2013

The State of Wyoming vs. Cameron Paul:

On March 12, 2012 Terry Brush died as a result of a car accident in which his vehicle crashed into a utility pole after being observed speeding through an intersection. Cameron Paul, the mechanic who worked on Mr. Brush's car, is being charged with felony murder as it appears that the wreck was due to brake failure.

Prepare and present both sides of the case before a judge and jury the week of Oct. 14th. Individually, expand one of the affidavits based on guest speaker expertise. Write an analysis of the adversarial nature of the criminal justice system.
